### **SISTERHOOD**

The MJC&S Sisterhood was organized to support the synagogue through special monthly events for women. Our Sisterhood promotes camaraderie and provides social and educational opportunities to our Temple members.

When you join our Sisterhood, you join with others who are looking for friendship, advice, cooking tips or just a tennis partner. We are a vital part of this synagogue and are active in all aspects of synagogue life.

Please fill out this form and we will contact you shortly.

The MJC&S Men's Club has the mission of getting to know each other better, support the Synagogue in any way, and have a lot of fun. We meet once a month, which usually consists of drinks & dinner followed by excellent speakers on topics from Judaism to Leadership. Sunday Morning Bagels and Coffee, sporting events, business net working and a camaraderie of friendship is what MJC&S Men's Club has to offer.

Just give us your information and we will keep you posted on upcoming events.
